Dear Sally,

Thank you so much to everyone at ASM Auto Recycling for your generous donation of £870.00 to support our work in the community. Your support is greatly appreciated.

Thames Valley Air Ambulance is at the frontline of saving lives. Within minutes, we bring the expertise, equipment and treatment of the hospital to the scene of an incident. You're helping our paramedics, doctors and pilots to be there for patients when the worst happens. I really can't thank you enough.

In fact, I'm going to hand over to our new chaplain Ross, whose life was saved when Thames Valley Air Ambulance reached him minutes after his three-wheeled motorcycle crashed into a road sign in April 2016.

He says, *"If it wasn't for Thames Valley Air Ambulance I wouldn't be here today. My children wouldn't have their dad and my wife wouldn't have her husband. If it wasn't for your support and generosity, Thames Valley Air Ambulance couldn't continue to be here either. Thank you so much. Your donations mean lives are saved!"*

As Ross explains, without generous people like you, Thames Valley Air Ambulance couldn't carry on. Thanks to you, our teams can be at the scene of an emergency in minutes, delivering lifesaving treatment right when it counts.

On behalf of all our patients and staff, thank you.

With very best regards,

Lisa McGinty
